

# What Foster Care Means to us.....

This is information for young people whose families are thinking about fostering. It is brought to you by young people in the Midlands whose families are fostering.

Fostering can be for a day, a week or forever!

Keeping Children Safe

Your parent's love can be spread out to love everyone

Opening a new door for children who cannot live with their own family

Fostering can help families get back on their feet knowing their children are in safe hands.

Learning to share & help others
